- Party Cheat Code!
- Workout Information.

Mujhe program ki shuruat kaise karni hai?

- **Ye cheeze aapke paas honi chahiye iss program ko shuru karne se pehle**
 - Weighing Machine ya Fat Monitor
 - Inch tape
- **Jis din aap program shuru kare (Apne coach se puch kar)**
 - apna weight coach se ke saath share kare (Photo kheech kar send kariye – Khali pet)
 - Apne coach se inches wali video maange aur apne inches measure kare.

Mujhe Pani Kitna aur Kaise peena hai?

				Best time: by 6 pm	
Weight	Daily Water Intake	Wake -> Breakfast	Breakfast -> Lunch	Lunch -> Dinner	Dinner -> Sleep
Less than 70 kgs	4 litres	600 ml	1.8 litres	1.4 litres	200 ml
Between 70 kgs to 90 kgs	4.5 litres	675 ml	2.1 litres	1.6 litres	225ml
More than 90 kgs	5 litres	750 ml	2.25 litres	1.75 litres	250 ml

***Agar aap lunch se dinner tak ka pani by 6 pm khtm kar pate hai to best rahega.**

Kya mujhe apne Food me badlav karne se
pehle kuch jaanne ki zarurat hai?

Aaiye Salad ke baare me kuch Jante hai

- **Khane se 20 minute pehle salad khane** se aapke sharir me ye cheeze hoti hai:
 - Salad Body me expand karta hai to, **Calories natural control** hoti hai
 - Insulin control hota hai, **Fat burning better** hoti hai
 - Digestive tract ki cleaning hoti hai aur Gut bacteria khush ho Jate hai, **Nutrient absorption** accha hota hai

**Breakfast/Lunch/Dinner se
20 minute pehle salad zarur khaye**

Salad me aise fruits/sabziyan khaye Jisme pani zada hota hai. Ye weightloss ke liye best hote hai

Dahi (Curd)/Chaas (Buttermilk) aapki life badal sakta hai

- **Khane se 30 minute baad Dahi/Chaas khane** se aapke sharir me ye cheeze hoti hai:
 - Gut me acche bacteria aate hai, **to Digestive health bht acchi rehti hai**
 - Zada acche bacteria , **Khane me Nutrients ko acchi tarah kheechte hai**
 - Acche Gut Bacteria **body me inflammation kam karte hai**

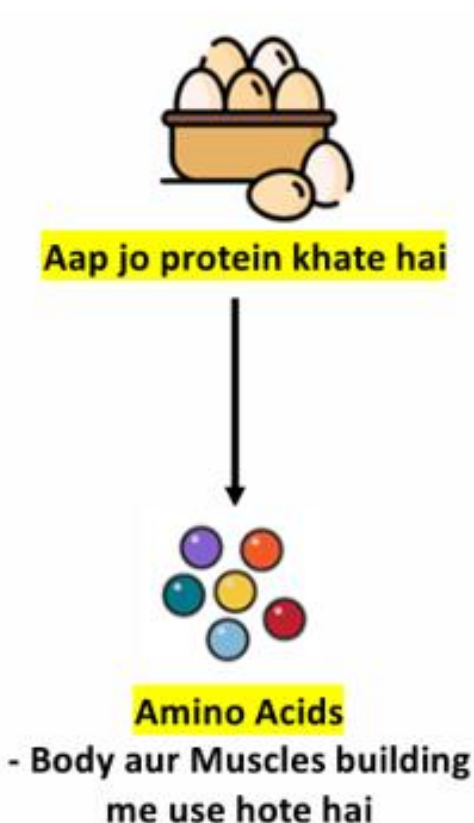

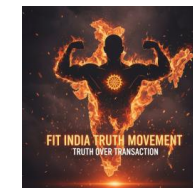

**Breakfast/Lunch/Dinner se
30 minute baad
Buttermilk/Chaas/Dahi zarur lijiye**

Protein aapke Weightloss aur aapki health ka sabse bada saathi hai

- Har meal me 2 Protein source add karne ke faede bht amazing hai
 - Muscle mass badhta hai , **Metabolism improve hota hai**
 - Hunger hormones Control hote hai, **Cravings control hoti hai**
 - Protein carbohydrate ki tarah sugar crash nahi karwata, **Body me inflammation kam hota hai**

Protein ki quality har khane me barabar nahi hoti – chahe ho kitna bhi healthy ho

YE AAPKA SHAREER KHUD
BANATA HAI

THE 11 NON-ESSENTIAL
AMINO ACIDS

YE AAPKO KHANE SE DENA
PADTA HAI, BODY KHUD NAHI
BANATI

THE 9 ESSENTIAL
AMINO ACIDS

Ye hai kuch regular Protein sources ki amino acid profile

Food Category (Khaane ka Type)	Veg / Non-Veg	Essential Amino Acids (9 mein se)
Egg (whole / white)	Non-veg	9 / 9
Chicken / Fish	Non-veg	9 / 9
Soybean / Tofu	Veg	9 / 9
Paneer	Dairy	9 / 9
Dal (sabhi dals milake)	Veg	6-7 / 9
Chole / Rajma	Veg	7 / 9
Sprouts (mixed)	Veg	6 / 9
Peanuts	Veg	5 / 9
Almonds / Nuts (general)	Veg	4 / 9

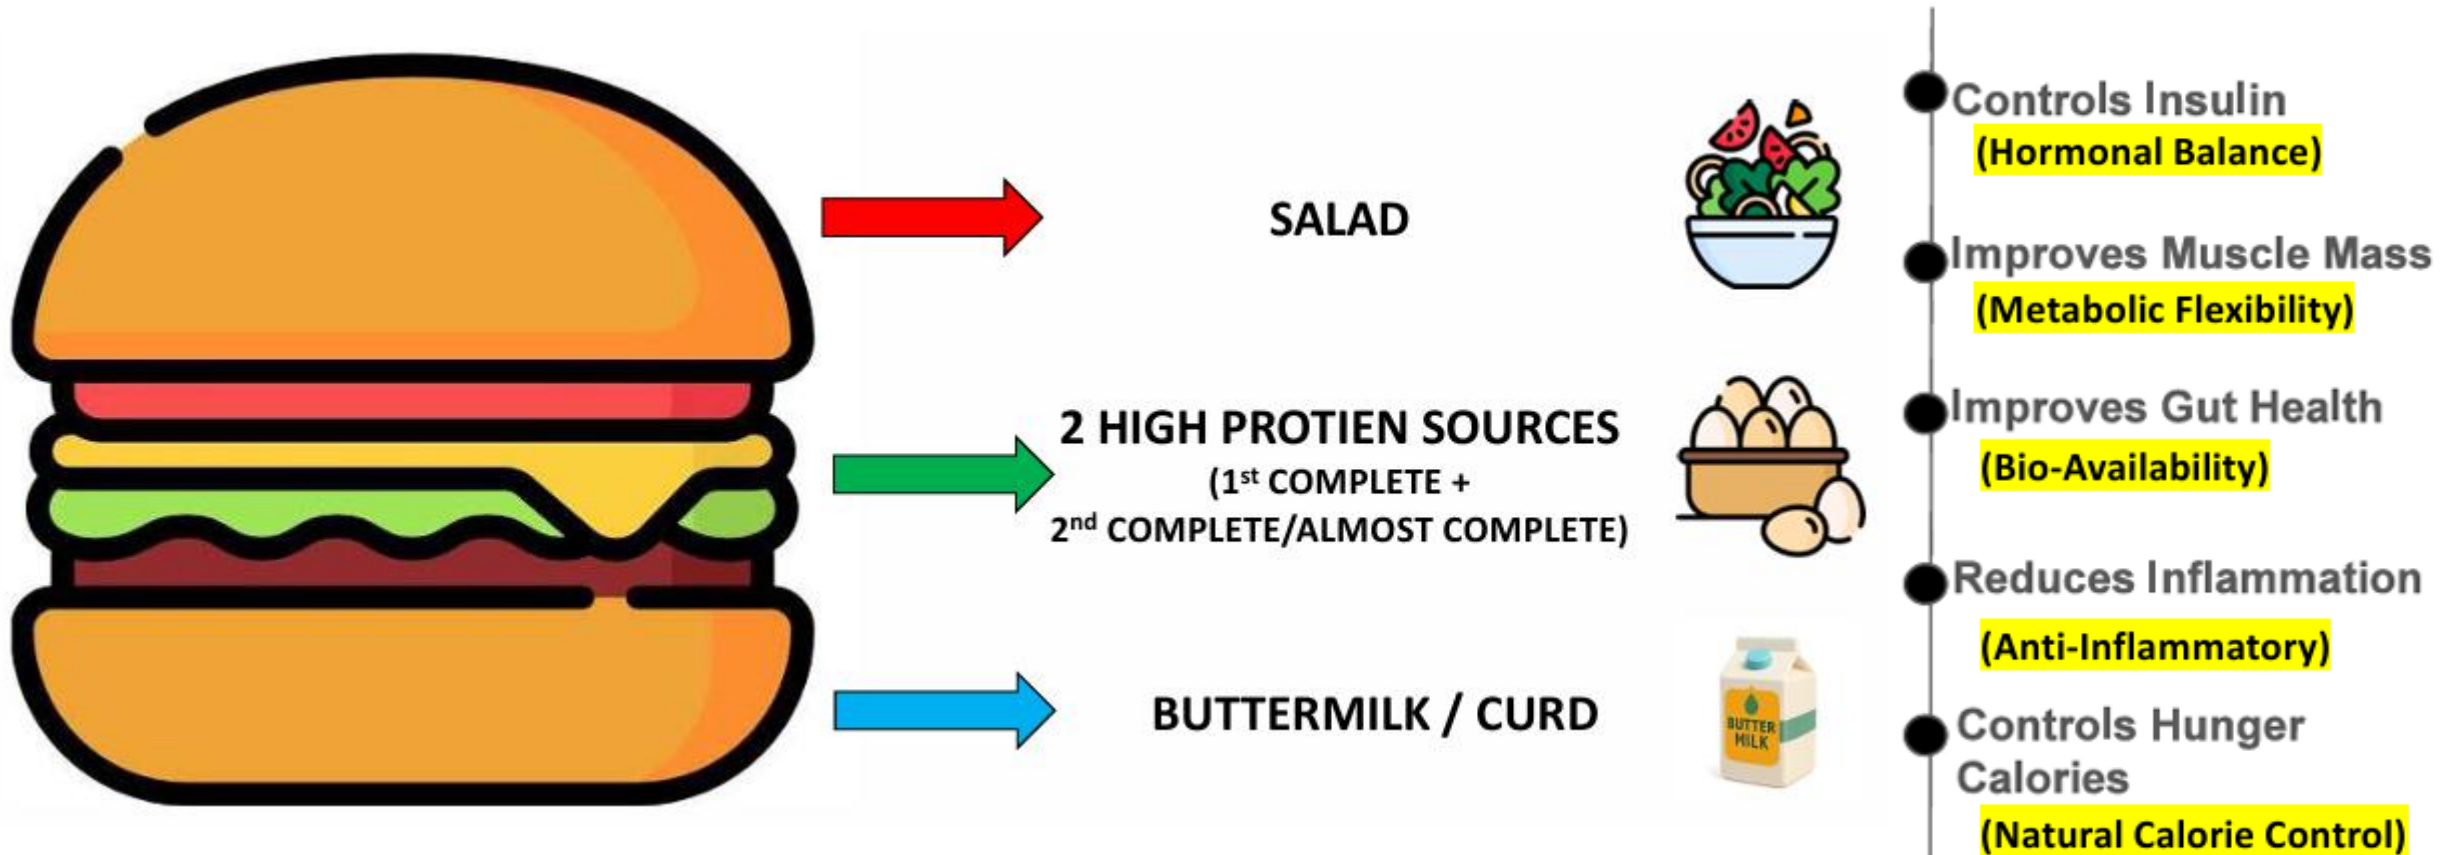

- Ye saare wo Protein sources hai jo quality me bht acche hai.
- Jo ranking me upar hai wo zada behtar Protein hai
- Boiled form me khane se Protein zada milta hai
- Egg ko bina Yolk ke khaye

Ranking	Vegeterian	Non Vegeterian
1	Boiled Soyabean	Boiled Egg
2	Raw Tofu	Boiled/Grilled/Roasted Chicken
3	Raw Paneer	Grilled/Roasted Fish
4	Boiled Kabuli Chole (White)	
5	Boiled Rajma	
6	Boiled Kale Chane	
7	Mix Daal (Moong + Any Other)	

Har meal ko hamesha iss form me khana hai

Breakfast, Lunch & Dinner
kaise aur kya karna karna hai?

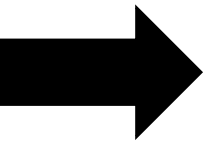

Breakfast kab karna hai?

- **Sabse pehle Breakfast se pehle apna 15% water khatm kijiye**
- **Aapka Breakfast 9 am se pehle khatm ho jana chahiye**
- **Ye ek hi meal hai jiska time aapko decide karna hai, Lunch and Dinner body apne aap guide karegi**

BREAKFAST FORMAT – Naashta karne ka Tareeka (SANDWICH METHOD)

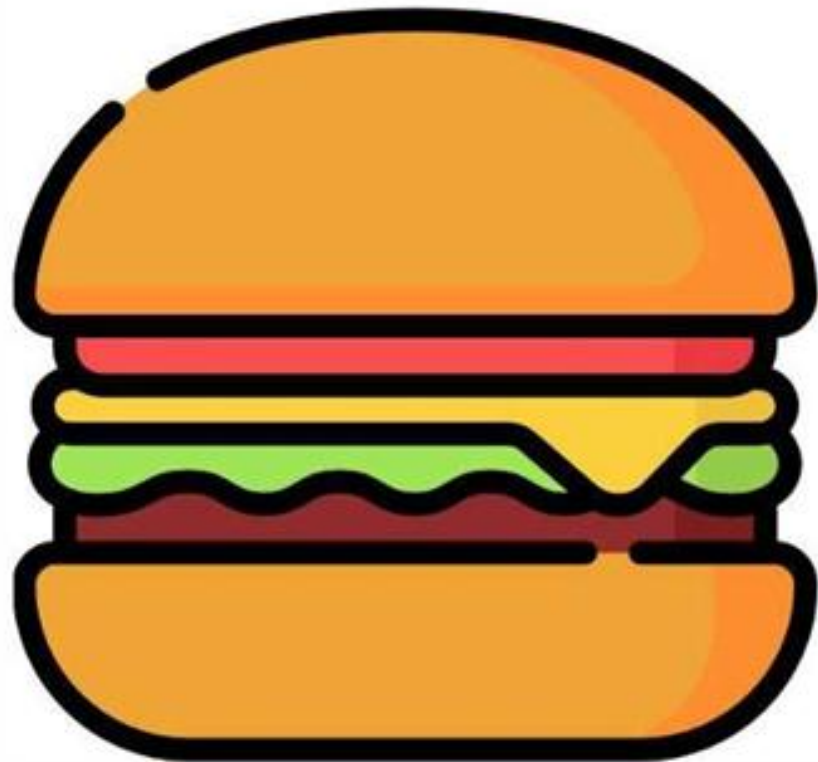

Salad & Breakfast Options & Combinations

Ab Samajhte hai , **BREAKFAST** me Sandwich Method ko kaise apply kare

***Dinner ka Protein bowl 100 ml ka hai, lunch se chota.**

Kuch Lifestyle Modifications Jin par aapko
Dhyan Dena Bht zaruri hai

Zaruri Lifestyle Modifications

- Daily **7-8 ghante ki Neend** result ke liye bht important hai. Ye Neend ek stretch me honi chahiye.
- Apna **95% pani 6 pm tak** khatm karne ki koshish kare taki aapki raat ki neend na kharab ho.
- Daily Basis par apne **10000 steps** khatm karne ki koshish kariye. Steps ko aise divide kare din bhar active rehna ke liye:
 - **Breakfast se pehle** – 2500 steps
 - **Breakfast aur Lunch ke beech me** – 2500 steps
 - **Lunch aur Dinner ke beech me** – 2500 steps
 - **Dinner ke baad** - 2500 steps
 - Ye steps aap ghar me bhi complete kar sakte hai.
 - Agar aapke paas **smartwatch nahi hai to apne Mobile me PEDOMETER** application download kar le steps count karne ke liye

Zaruri Lifestyle Modifications

- **Apko jo kaam pasand aata hai usko har roz kare** – Singing, Dancing, Meditation, Writing, Cooking kuch bhi. Ye aapke Happy Hormones ko active karta hai jisse weightloss ki speed badhta hai.
- **Stress aapke result ki speed ko kaafi Slow kar sakta hai.**
- **Workout agar aap subah hi kar lenge to zyada faeda hai.** Aapke Weightloss me yahi ek activity hai jisko karte waqt aapka 100% attention lagega. Workout ke time aap kuch aur nahi kar sakte. Sabse pehle morning me khatm kar lenge to tension free ho jaenge. Saath hi din ki shuruat bht positive hogi.

Frequently Asked Questions

FAQs

Q. Chai pi sakte hai kya?

A. Chai आपके Gut health aur Insulin Control ko support nahi karti hai. Ise aapka Weightloss process slow ho jaega. Chai ka alternatives hai:

- Green Tea
- Black Coffee (maximum 2 cup , agar thyroid ka issue hai to sirf ek. Sunset ka baad Black coffee nahi. High BP ke case me completely avoid kariye)
- Agar aap koi sugar less herbal tea use karna chahte hai to kar sakte hai
- **Chai chodne se agar आपको सर दर्द होता है तो –** Ek litre pani me ek nimbu aur ek chota chamach (1 tea spoon) Sendha namak mix karke piijiye.

Q. Agar 3 meals ke beech me kuch khane ka mann kar to kya khaye?

A. Pehle to aap agar Pani aur teeno meals ka format theek se follow karenge to आपको beech me bhook nahi lagegi. Agar lagi to:

- Breakfast aur lunch ke beech me koi bhi ek fruit (Lunch ke baad koi fruit nahi lena hai)
- Lunch aur Dinner ke beech me ek choti Katori – Bhune Chane ya Makhane

FAQs

Q. Main Working Professional hu, Agar 20 mins aur 30 mins ka Gap nahi maintain ho paya to?

- A. Agar time ka issue hai to jo best possible ho wo kare.
- Agar lunch break chota hota hai to Salad aur protein bowl pehle khatm kar le. Baaki meal ghar aakar khtm kare.
 - Buttermilk/Chaas to aap bottle me lekar ja sakte hai aur use kabhi bhi pi sakte hai
 - Salad aap ghar se kaatkar le ja sakte hai.
 - Agar kisi din salad nahi le ja paye to koi ek fruit rakh lijiyega (Apple/Orange) aur use salad ki jagah kha lijiyega
 - Yaad rakhiye, Time ki kami ke kaaran sab ek saath mat kha lijiyega - bloating issue ho jaega.

Q. Mujhe Rajma/Chole se bloating hoti hai?

- A. Sabse pehle Rajma/Chole/Chane ko bht acche se boil kariye. Uske baad use acche se Mash karle (Masal le) aur phir theek se chaba ke khae.
- **Bloating ke case me , pani mat pijiye. Thodi walk kariye and buttermilk lijiye.**
 - **Bloating Salad ki wajah se bhi ho sakti hai. To jitna bataya hai aur jo options diye hai unhi ko follow kare**

FAQs

Q. Mujhe Constipation ki problem hai kya karu?

A. Agar ye problem aapko lambe samay se hai to ye cheeze kare:

- Salad me sirf Papita lijiye
- Apne pani aur buttermilk ka intake badhaye
- Daily walk kare, Hamare workouts ko seriously kare
- Har roz Paneer, Rajma, Chole avoid kare – inhe badal badal ke lijiye
- Salad me Gajar, mooli jaisi cheeze avoid kare
- Sleep aur Stress ka dhyan rakhiye

Q. Kya ye plan Diabetes, BP , PCOD walo ko bhi as it is hi follow karna hai?

A. Ye food plan fatloss ke liye banaya gaya hai na ki koi bimari theek karne ke liye. But ye saari problems fat related hi hai – to agar aap apne fatloss par kam karenge to results aapke favor me aa sakte hai. Agar aapko doctor ne koi food restrictions lagai hai to apne coach se zarur share kare.

FAQs

Q. Mujhe URIC ACID ka problem hai to main protein kaise khau?

A. Sabse pehli baat, URIC ACID kidney filtration ka problem hai, Protein ka nahi.

- **Aapko Protein nahi, PURINE rich food avoid karne hai.**
 - Jaise Red meat, Beer, Alcohol, Sugary Drinks, Cold Drinks
- **Low Fat Dairy items aap use kar sakte hai.**
 - Low fat paneer (Thodi Quantity me), Curd, Buttermilk, Yogurt
- **Tofu, Soya Chunks, Chole, Rajma, Dal aap le sakte hai (Moderate/Thodi Quantity me)**
- **Same Protein source Daily mat khaiye. Thoda lijiye aur har roz change karte rahiye.**
- **Aapko URIC acid ki problem jitni protein se nahi hogi, usse zada in reasons ki wajah se hogi:**
 - **Paani theek se nahi peena**
 - **Roz walk nahi karna**
 - **5 Din workout nahi karna**
 - **Apne Weight/ Diabetes/BP ko control me nahi lana**
 - **Sugar consume karna**
 - **Smoke/ Drink karna**
 - **Neend puri na karna**
 - **Bht zada Stress lena**

FAQs

Q. Fasting wale din par process ko kaise follow Karna hai?

- Fast wala din traditionally aapke GUT ko rest dene ke liye hota hai. Iss din:
 - Panni khoob piye
 - Buttermilk/Chaas/Dahi ka intake badhaye
 - Fruits/ Salads par focus rakhe
 - Aisi koi bhi cheez avoid kare jise chabane ki zarurat padti hai – Fruits ya Salad ke alawa
 - Protein items avoid kariye
 - Ghar me bana soup (without cream/sugar) lijiye

Yaad rakhiye Fasting koi Party day nahi hai jisme aap khoob sara tala bhuna kha le fast ke naam par. Ye din hamesha aapke GUT ko acha karne ke liye celebrate hota hai usse waise hi treat kare. 😊

FAQs

Q. Agar khaate hue pura pet bhar jae to kya kare?

A: Meal ko usi time chodhiye aur 30 minutes baad apna buttermilk piijiye.

Q. Agar khana khane ka mann na kar raha ho to kya kare?

A. Sabse pehle ye dekhiye ki aisa kyu hua hai:

- Kya Breakfast late kiya aaj?
 - Kya Paani time par nahi khatm hua?
 - Kya maine over eating to nahi karli pichle meal me?
 - Kahin main sirf jaldi weightloss ke liye to nahi ye kar rahi/raha?
 - Kya raat me neend theek se puri hui/Kahi koi stress to nahi?
 - Kya aaj maine workout ya walk khatm ki
-
- Agar आपको भूख नहीं लगी तो walk करके आइये 30 mins. Meal skipping से protein की कमी होगी, Fat बढ़ेगा.

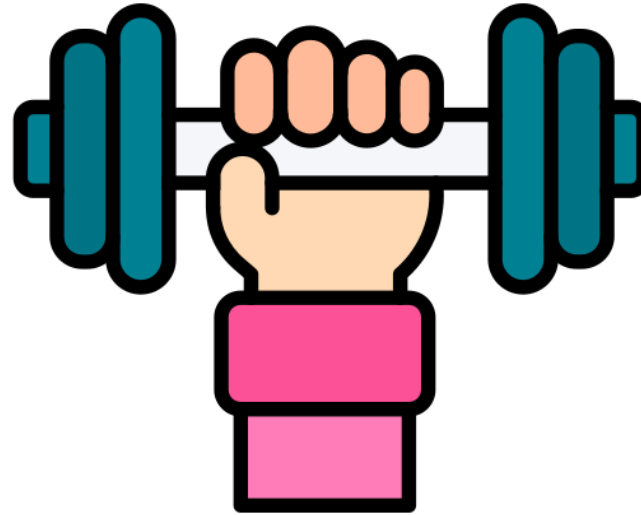

Parties/ Vacations/ Functions par Kaise Process ko follow kare?

Party Cheat Code!

- **Party/Vacations par aapko Sandwich method follow karne par focus karna hai:**
 - Aapko Salad, Protein Item aur Raita/Dahi/Chaas sab jagah milega
 - Agar aap party me salad nahi ka sakte to, Ghar se kha kar jaiye nahi to ek fruit kha kar jaiye
 - Pet zada protein item se bhare. Baaki cheezo ko taste kare par unse pet na bhare
 - Jis din party par jana hai uss sin pani party se pehle khtm karle aur apne lunch ko light rakhe. Pure din khoob sara butter milk piye.
 - Baaki Smart eating karke , party enjoy kare. Weight ke baare me zada mat sochiye, sirf Sandwich method follow karne par dhyan dijiye.
 - **Party ke next day** – Salad, Pani aur Buttermilk par zyada dhyan de. Khane me Thodi liquid khichdi khaye. Zada chabane wale khane ko avoid kare.

Workout – Kab, Kaise aur Kitna?

Workout

- Jab tak iss document me di hua **process 100% na follow ho jaye – aap workout nahi karenge.**
- **Workout sirf week me 5 days karna hai. Weekends par workout nahi.**
- Acche results ke zada nahi **sahi aur right amount me workout karna aana chahiye.**
- **Zada workout se muscle loss ho jaega, to fat bht zada badh jaega – Weightloss ke baad bhi**
- Aap hamare saath LIVE workout kare ya recording dekh kar – ya to khali pet kariye ya phir atleast khane to 3-4 ghante baad.

**BAAKI SAB INFORMATION AAPKO
LIVE SESSION ME MILEGI.**

ALL THE BEST!
